

# Vice Presidents Report 2017/2018

The PA donated \$40,860 towards the electronic score board for the War memorial Oval (WMO) supplied by the Electronic Signage Australia. Initial works have been undertaken (with thanks to Sam Fenney) and we are hoping the installation will be completed by Anzac Day 2018.

The Student Representative Council (SRC) asked the PA to fund a new drinking bubbler for the Junior School, and the PA provided \$4,000.
